

**Chicago Blood Cancer Foundation**

committed to curing Lymphoma • Leukemia • Myeloma

## **PEDAL TO CURE LYMPHOMA, LEUKEMIA & MYELOMA**

**JOIN CHICAGO BLOOD CANCER FOUNDATION'S  
"OUT FOR BLOOD" TEAM FOR THE NORTH  
SHORE CENTURY BIKE RIDE  
Sunday, September 12  
Flexible Morning Start Times**

Participate in this family-friendly, non-competitive bike ride. Choose from various distances and scenic routes. Enjoy refreshments and entertainment. All routes depart from and finish at Evanston High School.

Non-riders can participate by forming "Virtual Vampire" Teams on-line. Every dollar raised or donated by "Out For Blood" and "Virtual Vampire" team members will support blood cancer research in Chicago.

Every four minutes someone is diagnosed with blood cancer (lymphoma, leukemia and myeloma) and someone dies from the disease every 10 minutes. Blood cancers account for approximately 9.5 percent of new cancer cases diagnosed in the United States. Research is the key to better treatments and to curing blood cancer.
