committed to curing Lymphoma • Leukemia • Myeloma

Join Chicago Blood Cancer Foundation's "Out for Blood" team and participate in the North Shore Century bike ride and raise money to cure lymphoma, leukemia, and myeloma.

There is no registration fee for the first 50 "Out For Blood" Team members to register on-line. We encourage riders to raise \$1,000 or as much money as possible for blood cancer research. Those raising \$100 or more will receive a t-shirt and those raising \$350 or more will receive the coveted "Out For Blood" Jersey.

Riders may choose from a variety of well-mapped and well-marked rides appropriate for biking enthusiasts of all ages and abilities, with various length routes up to the Century Classic (100-mile ride from Evanston to Kenosha). This is a non-competitive and family friendly bike ride. Ride 1 mile or 100 miles! The ride starts and ends at Dawes Park in Evanston, IL.

Non-riders may participate by forming "Virtual Vampire" Teams on line.

Every dollars raised by "Out For Blood" and "Virtual Vampire" Team members will go to blood cancer research at leading cancer research institutions right here in the Chicagoland area.
